## EDUCATOR RESOURCE PORTAL

Aligned with current Michigan Social Studies Curriculum, this digital destination provides teachers with resources that bring Detroit and regional history into the classroom. Look under “Learning Resources” for free curriculum materials, lesson plans, presentations and other tools that engage students of all ages in history. The portal also features information on classroom outreach and professional development opportunities.

Visit [detroithistorical.org/educator-portal](https://detroithistorical.org/educator-portal) to access these new resources developed just for you! The Educator Portal is made possible in part by a grant from Michigan Humanities, an affiliate of the National Endowment of the Humanities.
